

Dec 19 CI-CORE PI meeting

- 1) presentation on trips to DC
 - we are in trouble: funding levels and transition
 - NOAA interoperability
 - pigs at a trough and specifically, CI-CORE lacks internal integration
- 2) short institution reviews of where CI-CORE is at your institution
 - 4 slides total of CI-CORE-relevant and funded i) accomplishments, ii) unrealized goals

(in other words address Geno's comments)

 - Humboldt
 - Hayward
 - SFSU
 - CSUMB
 - MLML
 - Cal Poly
 - FERI
- 3) Product discussion
- 4) New Partner discussion
 - the reality of having to expand into so. Cal given the political landscape and limited resources.
- 5) Web discussion
 - Dale will lead
 - logo design
 - overall look
- 6) Governance?
 - review our document
 - next advisory meeting date
- 7) Yr 3 Proposal
 - due in mid January

In e-mail: for second year in a row, CI-CORE has not received an up in Congress while all other COTS entitlements did. Why??
